

# Superior Performance, Reliability, and Lead-Time

## Fiber Optic Cable Assemblies

Optical cables are factory-terminated and tested for performance and reliability. Choose from an extensive inventory of finished goods, or design your own custom cabling solution built to your exact specifications. With shipping, manufacturing, and stocking facilities in California, Texas, New Jersey, Florida, and North Carolina, if it is not available from inventory, it can be assembled in a clean, factory-controlled USA production facility and delivered quickly.

### Quick-Ship (Off the Shelf) Plenum Jumper Cable

Available in OM4 Aqua, OM4 Erica Violet, and Singlemode Yellow.

#### Lengths In Stock

3-ft  
6-ft  
7-ft  
10 to 100-ft (5-ft increments)  
110 to 200-ft (10-ft increments)

### Trunk Cables

Available in the following fiber counts and connector types and manufactured to your exact length specifications:

#### Fiber Count/Channel (Port) Counts

8F/4C  
12F/6C  
16F/8C  
24F/12C  
36F/18C  
48F/24C  
64F/32C  
72F/36C  
96F/48C  
144F/72C

#### Connector Types

ESCON®  
LC Duplex  
LC Uniboot  
MT-RJ  
MTP® 8 Fiber (40G Parallel Optics)  
MTP Elite® (12 Fiber)  
MTP® 16 Fiber (100G+ Parallel Optics)  
MTP Elite® (24 Fiber 100G+)  
MTP-16™ (32 Fiber 100G+)

ESCON® is a registered trademark of IBM Corp.  
MTP® and MTP Elite® are registered trademarks of US Conec.  
MTP-16™ is a trademark of US Conec.
